

Tablets

The usage of the Tablets in the French school of Bahrein became mandatory starting the 6th grade for all students.

We would like to inform you that starting September 2019, students of college lycee are requested to purchase an Android tablet that will be their property for which they will have full responsibility and maintenance.

Please note that if your child currently has an android tablet, then he may continue to use it.

It is very important to all students purchasing the new tablets, to verify that all of the below specifications are respected:

TABLET SPECIFICATIONS
